# DUAL ENROLLMENT OVERVIEW

## What is Dual Enrollment?

Through a partnership with Montgomery County Public Schools and Montgomery College, high school students can take college level courses at Universities at Shady Grove, or at any Montgomery College campus/online during their senior and/or junior year. Engage with outstanding college professors and their peers in a collegiate classroom setting.

- ❖ Provide an educational experience beyond what is available at the secondary level.
- ❖ Allows students to earn **transferable college credits**, & save money on college tuition.
- ❖ Demands maintenance of good academic habits, & learn new **independent college-level** skills.
- ❖ Accelerate college completion; gain self-confidence, plan for their future and endless success in college/beyond.
- ❖ Provides orientation, support, and guidance to ensure success for all; while reinforcing time management.
- ❖ Form accurate perspectives of what skills and education are needed to be successful at the college level.

## Who can participate in the Program?

High school juniors and seniors who meet the College's Dual Enrollment (DE) standards may enhance their schedule with college course work and experience the independence of college-level study while also earning transferable college credit.

- Select students are enrolled in college courses while still attending high school, providing an educational experience beyond what is available at the secondary level.
- Secured a minimum unweighted grade point average of 2.5 for seniors and 2.75 for juniors. Students who do not meet this requirement can request a review to be approved to participate in the program.
- Completed Honors and at least one AP course.
- Applicants must be at least 16 years of age and completed their sophomore year prior to participation in the program.
- Participants must have approval of parent (or guardian). Visit the [MC Dual Enrollment website](#) for the current eligibility requirements.

## Assessment Information

Students who wish to take a college course should meet the minimum scores noted below on the SAT, ACT, and ACCUPLACER respectively, in addition to having an unweighted grade point average of 2.5 for seniors or 2.75 for juniors. If students do not meet the test requirements they may be eligible to take a college course if they have a B or higher in the final semester of the following approved courses to determine college readiness in English and mathematics:

English: AP Language and Composition; Honors English 12; Modern World History; Honors Modern World History; AP World History

Mathematics: All levels of Algebra 2

Content	Old SAT	New SAT	ACT	ACCUPLACER

## What students should know when taking Dual Enrollment?

The program allows eligible students to experience the responsibilities and rigors of college classes, earn transferable college credit, explore career options and subjects not found at the high school level, and utilize an abbreviated schedule.

- ✚ Students may enroll in a variety of courses at the college, provided they meet the Dual Enrollment standards. The credits earned will be applied to a degree program at ALL Maryland State Schools or be transferred to another institution.
- ✚ ALL students must apply to Montgomery College before enrolling in the program
- ✚ Maintain an excellent attendance record at Wootton and the College. **\*required\***
- ✚ ORIENTATION/INFORMATION SESSIONS will be held at the beginning of each semester
- ✚ Some MC courses have additional requirements before students are eligible to enroll (ASK)
- ✚ Courses are on a first come first serve basis **NO EXCEPTIONS!!!!**
- ✚ Dual Enrollment are schedule for two periods 2<sup>nd</sup> and 3<sup>rd</sup> **@ USG ONLY!**
- ✚ Students must communicate with “DE” coordinator, college professors regularly, complete course work, be disciplined enough to meet assignment/project deadlines, and attend scheduled home room meetings.
- ✚ Dual Enrollment students will be on a college campus and are expected to act maturely.
- ✚ **Tuition assistance offered at a reduced rate for students who qualify.**

## What courses are offered through the program?

Students in the DE program can enroll in ANY MC college level course as long as they meet the requirements for that course. The list of institutions who have accepted transfer credit for courses taken through Montgomery College is quite impressive.

The courses offered through the DE program are typical courses of all first year college students; to experience the responsibilities and rigors of college classes. They include courses which are first in a professional series, general education courses, and provide a foundation for every major fields of study or career exploration.

**PLEASE NOTE:** Course offerings vary from year to year based on MC faculty and enrollment numbers for each class. A more accurate list of courses for each school year will be available online.
